

What will your Leo club do to bring hope to **CHILDREN** in need?

Every day, millions of children miss out on the joys of childhood. Instead of playing with toys and developing to their full potential, they face daunting challenges such as poverty, malnutrition, illness, conflict and abandonment.

Through Spotlight on Children projects, Leo clubs can bring hope and laughter to vulnerable children.

Leo clubs receive special recognition for service to children in need. Most importantly, Leo clubs experience the pride and joy of restoring dignity with the promise of a brighter tomorrow.

SPOTLIGHT ON CHILDREN

Spotlight on Children is the international service project of Leo clubs.

Spotlight on Children projects provide Leos with the opportunity to enrich the lives of vulnerable children in countless ways, including:

- Addressing childhood hunger
- Responding to the needs of children in refugee camps
- Promoting literacy and education programs
- Offering comfort and support to hospitalized children

Leos provide hope when they implement projects to help **CHILDREN** in need.

IN MALAYSIA, Leos bring hope and laughter to refugee children with games, food and other entertainment.

IN ITALY, Leos provide comfort and support to hospitalized children by equipping pediatric wards with recreation kits.

IN THE PHILIPPINES, Leos distribute food, vitamins and hygiene kits to a school for children with disabilities.

IN THE USA, Leos paste materials in picture books so visually impaired children can develop tactile skills needed to learn braille.
